Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Wednesday 15 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with a little rain, perhaps South Down brightening later.

Today:
Another mostly cloudy day, with a little light rain, though a few slightly heavier bursts are possible in the north. Perhaps brightening across South Down later with some sunshine. Mild, with lighter winds. Maximum temperature 11 deg C (52 deg F).

Tonight:
Any light rain over northern areas clearing away north as clearer skies extend from the south. Perhaps the odd fog patch. Minimum temperature 5 deg C (41 deg F).

Thursday:
A dry day, Some sunshine for some in the morning but a trend to increasingly overcast cloud spreading up from the southwest. Mainly light winds. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
A settled, generally dry spell of weather, though with a good deal of cloud and only limited clear or sunny intervals. Staying mild, though less so with time.
